The Right Reach

Based on our most recent audit, of the 15,672** qualified subscribers we reach with *Feed & Grain* magazine, 8,568** people say they are involved in corporate and general administration. Another 5,264** people are in mill, plant or elevator operations management. That's more than 13,000** feed and grain industry professionals.

Plus, more than 8,700** of these subscribers have provided this information within the past year; over 11,500** have updated their subscription information in just two years.

Feed & Grain digital media reaches decision makers, too:

- **16,200*** subscribers access the digital version of the magazine
70% in corporate and general administration or mill, plant and elevator operations management
- **13,254*** receive **Industry Watch**, our daily digital e-newsletter
75% in corporate and general administration or mill, plant and elevator operations management
- **12,218*** receive **email marketing messages** from *Feed & Grain*
74% in corporate and general administration or mill, plant and elevator operations management

Leading-Edge Content

Our editorial team and contributors write effectively for each medium, whether it be written, video or audio content.

Of course, that has limited value if the information provided is not what your audience needs, wants and values. *Feed & Grain* delivers the information needs our audience requires.

Our cover features provide important details on the operational changes implemented by some of the top feed and grain professionals in the market. We go on-site and in-depth to highlight the steps progressive businesses are taking to improve their market position, customer service, throughput, quality and more. No one does that like *Feed & Grain*!

Making Connections

The people we target want the information that *Feed & Grain* provides. Tour feedandgrain.com. Review our print issue. Access and read the digital edition. Take a look at our daily newsletter. You'll see that the content we deliver has impact and value for the people we reach.

When you wrap your marketing messages into our editorial products, you tap into that engagement, continuing to build your company's recognition as a market leader, optimizing the value of your marketing investment.

**June 2018 BPA audit statement

Custom Reprints

Magazine print and digital reprints are powerful ways to connect with your audience, generate leads and engage customers. Promote awareness and credibility through our magazine reprints that are produced at the highest quality, with options for customization (such as adding the magazine cover, disclaimer text, and company logos).

Whitepapers & Inserts

Promote your product or service with the overall goal of generating sales leads, establishing thought leadership, making a business case, or informing and persuading prospective customers.

Advertorials

'Advertorials,' which are written in the house style of the host magazine, enable the advertiser to don the mantle, use the voice and sport the values of the magazine. This intimacy brings added credibility to the brand, while readers appreciate the extra material for them to read.

Sponsored Content

Use the power of the internet to get your message to over 83,000* page views per month on feedandgrain.com. Your company's hot topics can reach an even greater audience of more than 13,294* people each day!

- Displayed on the *feedandgrain.com* home page, news page, "More Articles" list under each news story, and in the Industry Watch eNewsletter for one week
- Limited space available (first-come/first-serve basis)
- Features your image/logo, headline, teaser, article and link to your site

OUR PLATFORM ADVANTAGE

The IDEAg Publications Group is located in Fort Atkinson, Wisconsin. IDEAg publishes Feed & Grain Magazine, the leading business-to-business publication serving the American grain storage, milling and grain handling sector, and features a turn-key, custom publishing platform.

IDEAg features a veteran, award-winning staff of editors, writers, designers, production managers and advertising specialists. IDEAg offers communications solutions for multiple platforms, including print, digital, web and app-based publishing. IDEAg also features in-house capabilities such as circulation management, mail administration and advertising sales and tracking.

The flagship publication of IDEAg is Feed & Grain Magazine. With more than 15,000 qualified subscribers, Feed & Grain serves customers across the feed and grain production chain. Each issue provides authoritative journalism for industry professionals. Advertisers are drawn to Feed & Grain's diverse print, digital, web and app-based solutions to reach a top-tier business-to-business audience.

OUR STAFF ADVANTAGE

The IDEAg Publications team is comprised of skilled and award-winning editors, writers, production specialists, digital technicians and design professionals. We specialize in taking your stories and images, or producing those with your approval, and crafting them into communications vehicles that carry your messages to specific audiences. You will be working with senior level pros to accomplish your mission.

OUR LEADERSHIP ADVANTAGE

Arlette Sambs is Publisher for IDEAg Publications. Arlette has more than 30 years of experience in magazine publishing and management. In addition to leading the IDEAg Publications staff at their base office in Fort Atkinson, Wisconsin, her areas of expertise range from magazine production and marketing to digital and print management.

OUR TECHNICAL ADVANTAGE

In addition, IDEAg Publications includes experts in the fields of writing, print and digital production, design, web management, social media, marketing and ad sales. We supplement our team by including talented specialists from our parent organization, the American Farm Bureau Federation, with emphases in areas such as technology, broadcast production, public policy writing, print management and events.

We also have strong and established relationships with a hand-selected group of trusted and proven consultants in the areas of publishing, magazine management and production.

OUR CONTENT ADVANTAGE

Our writing and expertise make a difference. Whether it's a hard hitting issues story, a polished company or service profile, a heartfelt feature story or a rural lifestyle story, we excel at sharing the stories of the Feed and Grain sector, dynamic agribusinesses, America's farm and ranch families and their rural communities; it's ingrained in our mission. We believe factual and timely content and engaging writing matters and, we are able to draw from relationships we have with numerous sources in the Feed and Grain, agriculture and food sectors, from numerous allied organizations, groups and associations.

Our content expertise is strengthened by our ability to engage staff experts from AFBF, and from throughout the Feed and Grain sector, who are recognized experts in their fields, ranging from agricultural policy and rural development to economics and rural lifestyle issues.

OUR RELATIONSHIP ADVANTAGE

The American Farm Bureau Federation owns IDEAg. AFBF is the nation's recognized Voice of Agriculture.

WHY US?

Overall, the IDEAg team will ensure that the content for your publication is factual and interesting and that the design and appearance of your product will attract the reader's eyes and command their attention. We can also deploy the power of technology and digital publishing to extend the reach of your effort and we can even help you measure the reach and impact of your communications platforms. Our team, our platforms, our know-how and our relationships offer a focused and collaborative solution. Our solution will help you build comprehensive success for the content, look, feel and effectiveness of your publication and your business.
