Implications of US - EU Free Trade negotiations on Animal Agriculture to be Discussed at IPPE

The program is a follow-up of the highly successful EuroFax/DIG program that was offered in November in Germany and will feature several industry specialists, including Jim Sumner, president, USA Poultry & Egg Export Council, who will provide free introductions to the program. Dr. Paul Akin, economist, Faculty Perspective, will provide a U.S. perspective on EU and U.S. WTO negotiations and agriculture. Ulrike Lumbarkin, director of international policy and trade, American Trade Industry Association, (Host View)

Free Worker Safety Education Program Offered at 2015 IPPE

A "Risk Management Approach to New Equipment Projects" presentation will be provided by Tim Ward, "Keystone Foods," Eric Hoffer, and Roger Frantz, who will present "Equipment Manufacturing: Building Safety into the Design," and Paul Precourt, USF&IDUSA, will provide information on machine guarding.
